

Message Flow Details

MM00042 - Request for Installation or Change to a Metering System Functionality or the Removal of All Meters

Market Message Information

Market Message Reference	MM00042
MM Description	Request is being made and information provided to allow removal, replacement or installation of a meter.
Local Catalogue Reference	D0142
Version	001
Notes	Though all of the address data items included in this flow are defined within the structure as being optional, the address itself is mandatory and must be included in the flow. The use of any individual address item cannot be made mandatory as, in the absence of an agreed address structure for all flows, an address may be constructed from any combination of the Address Line and Postcode items. - Where an AMVLP (Asset Metering Virtual Lead Party) is involved, the MPAN Core must contain an AMSID (Asset Metering System Identifier) and not an MPAN
