Cover Note

This document displays the Reverse Migration Change of Service – Data Service process*. It has been based on the MHHS BAU Change of Service Provider – Data Service process and any new, Reverse Migration-specific steps, are indicated in green.

This process map should be read in parallel with the relevant BPD (MHHS BPD003 – Change of Service - Data Service (Reverse Migration)) which provides more detail on each of the steps.

**Reverse Migration can only take place via a Change of Supply and not via a Change of Service Provider, however this process is required as part of the Reverse Migration Change of Supply Process.*
