The SIT Test Team have secured closure of all queries raised against the Component Integration Testing (CIT) Interval 1 & 2 Test Cases closed on Sept 8th.

At the time of presentation of this pack, updated test case packs will have been issued to all Interval 1 & 2 participants and approvals secured.
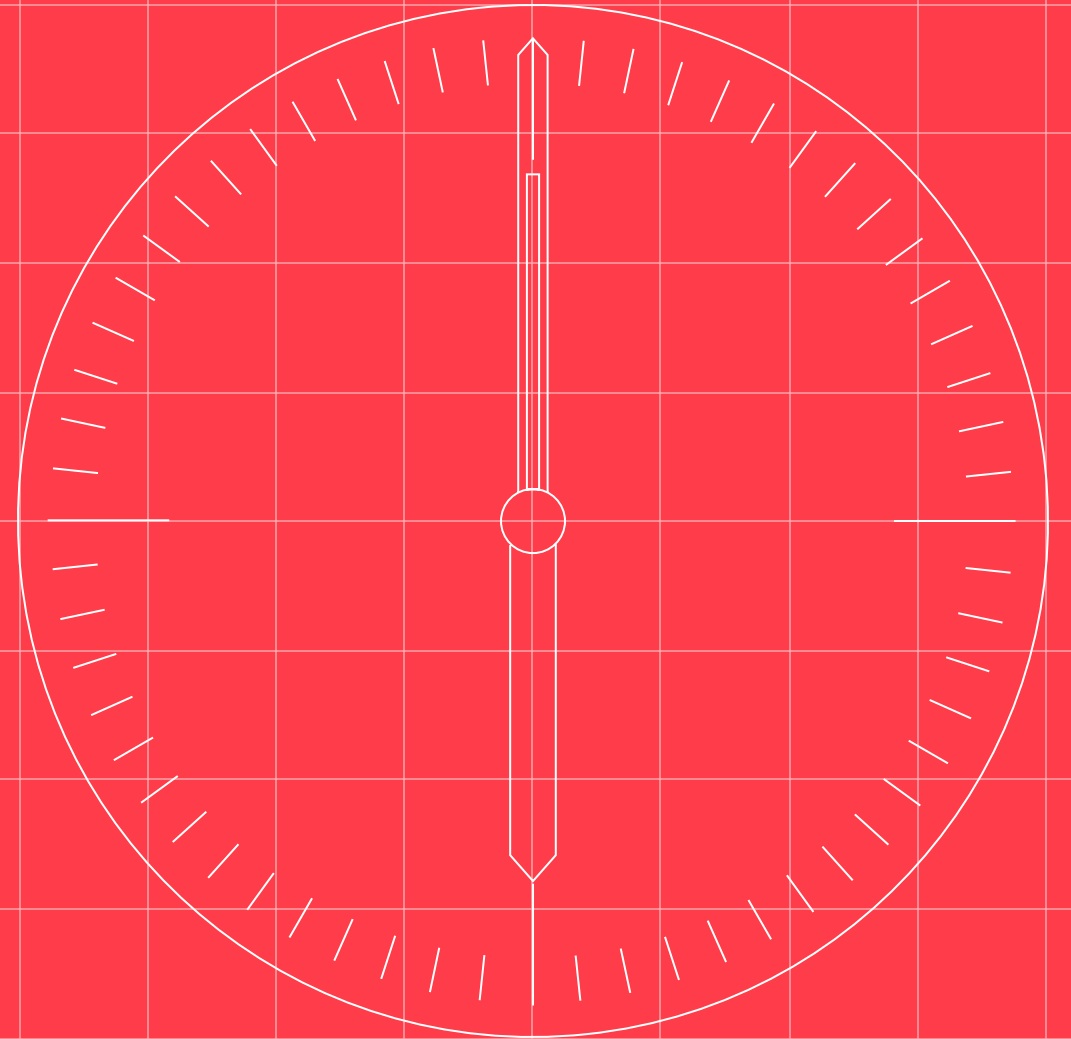

On the proviso that we have received e-mail conformation of the necessary bilateral approvals, we would like to request eTMAG approval of the Component Integration Testing (CIT) Interval 1 & 2 Test Cases.
